My Poland specializes in the sales and promotion of original Polish handicraft. Our company cooperates with folk artists recognized as the authorities on the subject – they are masters in different handicraft specialties such as embroidery, lace work, ceramics, wickerwork or folk toys. The majority have the status of “licensed folk artist”, given by the Polish Folk Arts Society, which is referred to as Stowarzyszenie Twórców Ludowych (STL) in Polish. This recognition and status guarantees the originality and high quality of products offered by My Poland. We also offer unique – collectors’ value products as well as rare home-made articles created by artists who carry on forgotten trades. My Poland fulfills orders for tailor-made products, as well.

In the offer of My Poland, there are also modern handicraft inspired by tradition: for example: original jewelry designed by a well-known and valued Polish designer and masters of handicraft.
