Poznań International Fair is the largest in Poland and one of the fastest growing fair and conference centres in Central and Eastern Europe

Międzynarodowe Targi Poznańskie (Poznań International Fair) is the largest in Poland and one of the fastest growing fair and conference centres in Central and Eastern Europe. Among the 80 trade fairs and 400 congresses held every year in Poznań, **BUDMA**, i.e. **International Construction and Architecture Fair**, is one of the most important meeting places of more than 1,000 manufacturers and distributors of modern technologies and construction materials with the representatives of trade, architects, contractors and investors.

Every year, BUDMA attracts 50,000 specialists interested in **innovative solutions**, exchange of experience, acquiring **know-how** and, above all, **business meetings**.

BUDMA 2016 **FOR TRADE:**

DISTRIBUTOR DAY - February 2, 2016, dedicated to the trade representatives. The **HOSTED BUYERS** programme allows you to schedule and conduct business meetings with the representatives of major purchasing groups in the construction sector in comfortable environment.

BUDMA 2016 **FOR ARCHITECTS:**

ARCHITECTURE FORUM participated by nearly **5 thousand architects** and designers. Meeting the stars of global architecture (previous editions were attended by for example Renato Rizzi, Rainer Mahlamäki and Alberto Veiga), **Strada di Architettura**: workshops and competitions for young graduates of architecture departments, presentation of products and solutions which are an inspiration for architects and designers through unique design, the but also functionality and quality.

BUDMA 2016 **FOR CONTRACTORS:**

TEST ZONE - the most **dynamic and interactive zone** of the Fair that offers the visitors an opportunity to get acquainted with and test in person the advantages of the presented innovative construction equipment, tools and materials, as well as to win valuable prizes in numerous contests and competitions.

BUDMA 2016 **FOR INVESTORS:**

Knowledge on legislative requirements, presentation of good practice, economy in the construction sector.

If you are interested in maintaining excellent relationships with existing business partners, or in establishing new contacts, be sure to take part in the most important meeting of the construction industry in Poland.
