Specialise in producing soft drinks, non-alcoholic beverages, flavoured water and spring water

Zbyszko Company Sp. z o.o. was established in 1993. We specialise in producing soft drinks, non-alcoholic beverages, flavoured water and spring water. Our two modern factories are equipped with the latest technologies currently available to the FMCG industry. Each factory has its own laboratory in which we closely examine the organoleptic qualities of our beverages to ensure the superior quality and flavour of our products. Our high-tech production lines and logistics warehouses are fully automated, so that Zbyszko customers can be sure that their products leave the factory on time, and are of high quality. Zbyszko's key product lines are: 3 lemons, ROKO, Veroni Mineral Water, Polo Cola and Ice Tea.
